RELEVANT MILITARY & FEDERAL EXPERIENCE

DEFENSE HEALTH AGENCY | Led a 54-person contract team supporting the PEO for Medical Systems and CIO (J-6), providing strategic program management, advisory, and operational support across enterprise medical systems initiatives.

Oversaw the agencies (Identity) transition from Office 2016 to Microsoft 365; worked with vendor, DHA and DISA teams to standup MED365 tenant.

Realigned contract deliverables to match DHA reorganization; expedited consolidation process; enabled smoother and efficient weekly, monthly & quarterly briefings with contracting officer (COR).

DEPOT MAINTENANCE | Redesigned DMISA training using Agile methodologies; earned client praise as 'Fantastic' for improving efficiency and engagement.

COLLABORATION | Developed and implemented a SharePoint site that streamlined product support and strengthened coordination with external partners.

HUMANITARIAN RESPONSE | Directed rapid Public Affairs support for Haiti disaster relief, coordinating Pentagon vetting and deploying boots on the ground within 24 hours.

MISSION RESILIENCE | Coordinated a \$60K IT upgrade between DIA and contractors, strengthening DAO operations against foreign intelligence threats.

SECURE OPERATIONS | Transferred 37,582 time-sensitive files across unclassified and classified systems with zero incidents and uninterrupted mission access.

VISUAL DOCUMENTATION | Applied photojournalism expertise to document recovery operations and preserve mission-critical historical records.
